Her på RESTAU74 gemmer der sig særligt udvalgte vine, vi selv er meget begejstret for. Stilen spænder fra det mere klassiske udtryk til det mere moderne og eksperimenterende. Fælles for alle vores vine er, at de kommer fra producenter, der arbejder med respekt for natur, terroir og med minimal intervention.

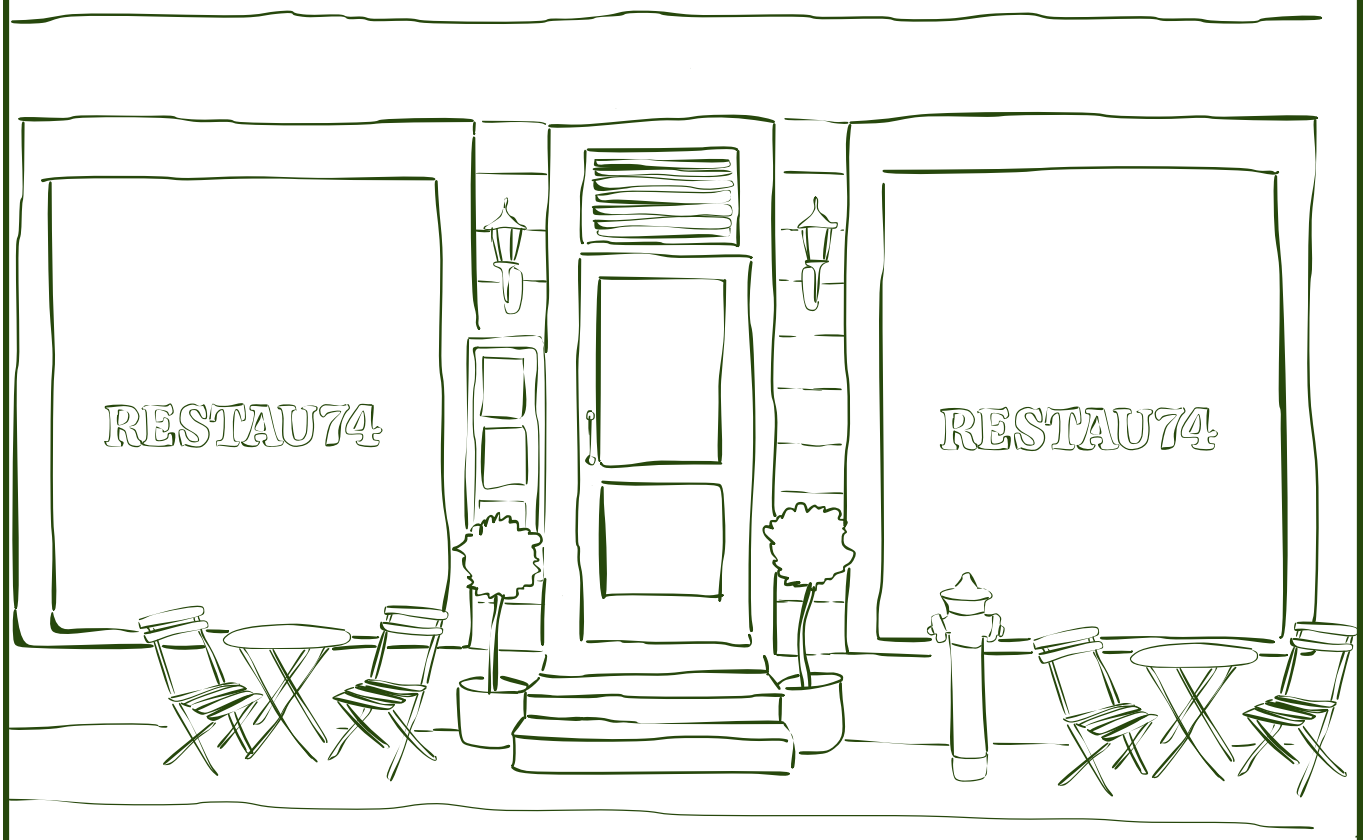

Hos os handler det om god stemning, nærvær og det, vi selv har lyst til at hælde i glasset. Vi er ikke sommelierer, bare svært glade for vin.

Hiv endelig fat i os, så vi sammen kan finde den helt rigtige flaske.

Here at RESTAU74, you will find a carefully selected range of wines that we are genuinely excited about. The styles range from the more classic to the more modern and experimental. What all our wines have in common is that they come from producers who work with respect for nature and terroir, and with minimal intervention.

For us, it's all about good vibes, being present, and pouring what we actually like drinking ourselves. We're not sommeliers – we just really love a good wine.

Don't hesitate to ask us any questions, and together we'll find the perfect match.
